Amy and Paul:

Following up on last week's discussion attached please find the following:

1. A document summarizing the history of the ownership at the Saint-Gobain plant at McCaffrey Street in Hoosick Falls. We conducted a title search for the property and can provide copies of deeds etc., if you need them.
2. A copy of our "Draft" RCRA Notice letter to Saint-Gobain. We transmitted this notice as a "draft" in the hope that we could quickly negotiate a settlement with a minimal amount of process. This letter sets forth the basis upon which we believe Saint-Gobain has liability under RCRA for the disposal or release of wastes at the plant site that are now endangering human health and the environment.
3. A copy of our initial letter to Saint-Gobain by which we transmitted our "draft" RCRA notice letter to the Company.
4. A copy of our recent letter to Honey well by which we attempted to obtain that Company's participation in discussions.

Please call me to discuss any questions you may have.
